Zinglabumm becomes Zinglibook!

Zinglabumm is updating its format and is now digital!

The Zinglabumm set is well known in families, schools, playschools and nurseries. Many adults and children have enjoyed singing traditional and new songs from the classic Zinglabumm books.

The high demand from parents, grandparents, teaching staff and nursery-school teachers has led INECC (Institut Européen de Chant Choral) and the Zinglabumm staff to the conclusion that it is necessary to explore new technical paths in order to preserve our precious cultural assets.

Zinglabumm becomes Zinglibook!

In other words: We will use the possibilities of modern digital technology to publish our songs, poems and dances with texts, music and playbacks not in one but in two ebooks:

Zinglibook I & II: two compilations from the 6 volumes of Zinglabumm dealing with the subjects nature and environment.

Have fun exploring our new digital world of Zinglibook!

Many thanks to the Luxembourg Ministry of Culture, the Environment Department of the Luxembourg Ministry of sustainable Development and Infrastructure, the City of Luxembourg, the SuperDrecksKëscht and RTL for their support.
